第 1 問 (配点 10)

A You are waiting in line for a walking tour of a castle and are asked to test a new device. You receive the following instructions from the staff.

Audio Guide Testing for the Westville Castle Walking Tour

Thank you for helping us test our new audio guide. We hope you will enjoy your experience here at Westville Castle.

How to use

When you put the device on your ear, it will turn on. As you walk around the castle, detailed explanations will automatically play as you enter each room. If you want to pause an explanation, tap the button on the earpiece once. The device is programmed to answer questions about the rooms. If you want to ask a question, tap the button twice and whisper. The microphone will pick up your voice and you will hear the answer.

Before you leave

Drop the device off at the collection desk to the left of the exit, then fill in a brief questionnaire, and hand it to the staff. In return, you will receive a discount coupon to use at the castle's souvenir shop.

問 1 The device is most likely to be able to answer questions about the
